STAY SWEET!

Celeste,
God! This is gonna be so hard.
How long-since 7th grade! I've complained
to you and cried to you- even sang and
danced when you wanted me to. I can't
believe you're gonna leave me. I'll miss
you so much. Even in ballet you've put
a smile on my face. I'll never forget
when we dance-imitating David and Dax
& Bill. The years wouldn't have even been
the same without you talking about Prince
or singing the greatest love of all, ~~and~~,
being a piano, our little talks and you-
Period- just being my ballet partner- even
choir. You waking Tanya and I up at seven
in the morning on the choir trip and plus the
trip itself. This is gonna be hard, you're
gonna have to write me- I'll write and
tell you what happens with the guy who
shakes his butt when he dances (David Milne III)
anyways we can write to keep in touch. Spencer KAA!
I love you, and may God be with you in
Virgina Beach. With all my heart- thats what
our friendship means to me.
Forever friends,

# "COLOR ME MONARCH!"

The '86- '87 A.S.B. has made their mark in Monarch history. Through our creativity and music, we have established a closer tie between the various faces seen around campus. The refurbished gym, the new marque, and our freshly painted stadium were all part of our goal to improve the quality of our school. The closeness that grew among us as the year progressed, became our strength in the hard times. And to Ferg, you are a truly special person. Thank you! It is hoped that our examples will be looked up to, and that next years A.S.B. will continue the tradiktion of making Monte Vista a better place! Good luck!

For those of you who were in the Pep Club, these should bring back memories:
*Raise your hands, stomp your feet, the Monte Vista Monarchs can't be beat. No way!
*Lean to the left, lean to the right, stand up, sit down, fight, fight, fight!
*G-O, let me hear you say GO. That's right, unite, let me hear you say FIGHT. W-I-N, let me hear you say WIN. Together, again, GO, FIGHT, WIN.

The Royal Image is an exciting way to get involved with Monte Vista's musical program. It is a special group of girls who work hard each year to put on three to four concerts for the community. The girls who make an extra effort to learn the more advanced music can have a chance to go on and sing in the spring with the Concert Choir.

All year long the girls are devoted to preparing for their spring concert, which this year was held at the East County Performing Arts Center.This was an extra special concert due to Dr.Bogden's allowance of having three performances- Friday, Saturday matinee, and Staurday night. A special thanks to Dr.Bogden !

This year's Varsity Monarchs played great baseball against all opponents. Led by seniors **Dennis Nichols, Richard Garmo, Nick Richard, Paul Buergey, Steve Gonzaba, Damon London, Scott Paul, Kenny Wall,** and **Pete Benedetto,** they finished fifth in the tough Sporting Goods West Pre-Season Tournament. With four juniors and three sophomores on the Varsity team and a good group of J.V. players, the future looks promising for Monarch baseball.

# GIRLS VARSITY SOFTBALL

The Monte Vista Girl's Softball Team is young but extremely talented and hard working. The tradition of excellence in softball continues with six players returning from last year's championship team and the addition of several strong players off the J.V. team. The team consists of primarily sophomores and juniors having only two seniors **Kim Williams** and **Tora Martin.** Under the guidance of Coach Shepard along with strong pitching and tenacious defense the 1987 season promises to be memorable.

The Interact Club is an exciting new club on campus this year! Founded by Christie Graves and Marsi Shoemaker, it is a service oriented organization focused on working in world fellowship dedicated to service and international understanding. A primary emphasis of this club is on training in leadership and citizenship. The major accomplishment of the club this year has been the bulletin board located above the photo room. The Interact Club also took a trip to Tecate to visit the Rotarians there. They also helped with the construction of a new school. The services performed as well as the association one with another makes this club a great one! Activities are already being planned for next year - so come and be a part of this new club!

We are the Rainbow

From your light and glorious color,
We were early shaped and formed
by warm and radiant energy.
Like the sunshine and the rain,
You gave us light and reason
And wondrous beauty too...a miracle!
Look up!
Look outward!
We are the rainbow;
The hope and the future
In every direction;
A shimmering, glowing,
Prismatic reflection of sunshiny smiles
And raindrop affection;
Ignited and colored and guided
By you.

" The 1986-87 school year, my first year at Monte Vista, began with high expectations and is ending with fond memories. We started this year hoping to make it special in every way. Faculty and staff endeavored to provide the best educational programs possible. Students worked hard to achieve their varied academic, vocational and athletic goals. By anyone's criteria and in every area, we have been successful. Many of you, the Senior Monarchs, will earn your diploma and move on; the rest of us will remain here and together we will attempt to duplicate or surpass your achievements. We can all be proud of our accomplishments at Monte Vista High School this year and look forward to building upon them."
